## **Shining Network**

**Co-conveners:** Dr. Rupa Basu and Ms. Gaganjot Kaur

**Students Co-conveners:** Ashmita Chhetri and Toshita Jain

Shining Network, the youth empowerment society of Kamala Nehru College, organised a creative and engaging event called Doodle Delight on 22nd October 2024. The idea of the event was to provide students with a free and encouraging space to express their creativity and explore their imagination. Centred around the theme “Dreams and Aspirations,” the session drew enthusiastic participation from students who collectively doodled on a shared canvas. The success of the event has motivated Shining Network to continue to organise similar and more engaging sessions.
